CONFIDENTIAL

2. During the same period the following empty trains came back from the east:

93 empty freight trains

15 empty trains for officers and their families

*

Comment: These wood shipments consist of finished telegraph poles and logs for building.

25X1

**

Comment: These ammunition shipments were made on closed trains and were heavily guarded. Each car was marked with a "flaming bomb". The train was closed off (Abspernung) during the stop in Küstrin.
